Dear Ms. Martin and Mr. D.,

At the start of freshman year, with only seven members, we had no idea how lucky we were to have two amazing advisors. Now, as seniors, we can look back and appreciate everything that you have done for us. You have spent countless hours with us putting up with our crazy ideas and guiding us through the maze of different events and fundraisers. Not only have we spent all of our Wednesday mornings together, but we've also had adventures to the Aquarium, Quincy, Blaze Pizza, and our local VFW. We are proud to have such an efficient group of young leaders that work hard in order to cultivate the best events possible. From our first froshmore dance to junior prom, you have helped us to create memories that will last a lifetime. Both of you have truly gone above and beyond what was expected of you by putting in extra effort and time to ensure that the Class of 2019 had the most amazing high school experience. Your hard work and dedication, from hallway decorating to picking out prom venues, has not gone unnoticed. We are forever grateful for your guidance that has helped to prepare us for the future.

So long partners.

Thank You For the Experience of a Lifetime,

Cian Murphy, Sarah Mackowski, Gabriella Merullo  
President, Vice President, Secretary  
Class of 2019

Ms. Martin, Mr. DiBenedetto

C. Murphy, G. Merullo, S. Mackowski

Dear Seniors,

"How you doin'?" No one told us these four years would be this way. We went through our ups and downs together; we grew together, and now we will move on to our next episode together. We hope that when you look through this yearbook you will be reminded of some of your favorite memories at Melrose High School. We have made memories at sports games, proms, and much more. These memories will never be forgotten. From making everlasting friends, we have learned what true friendship means. We have grown into 254 separate individuals who have had help from teachers, family, principals, and most importantly each other. We will now embark on the biggest journey of our lives. "Isn't that just...spit on your neck fantastic?" No one knows what the future will bring, but that's what makes the next episode of our lives so exciting. Thank you Class of 2019 for everything and good luck on one of the most exciting seasons of your life.

Yearbook Editors,  
Linnea, Stefanie, Bella

## Mr. Timothy Morris

Mr. Timothy Morris, aka Coach Mo, is retiring from his special education position after 36 dedicated years. His memorable career at Melrose High School began in 1983 when he was offered a position as a special education paraprofessional and assistant football coach. His history and special education background at Melrose High School has made him the staple of the student success classroom. For the past three decades, he has dedicated himself to the students of MHS helping them to find and reach their full potential. His philosophy and experience helped design and implement the AAA Intervention Program at MHS.

After three years into his career, Coach Mo made his debut as coach of the MHS Boys Spring Track and Field Team, which he continues to run today. In 1994, Coach Mo was appointed to the role that he is most known for, and one that he will continue after retirement, MHS Head Varsity Football Coach. His accolades include Middlesex League Champions: 1999, 2004, 2007, 2013, 2014, 2016, 2017; Sectional Champions: 2013, 2014, 2015, 2017; and State Title D4 Super Bowl Champions 2017. Coach Mo also has two undefeated seasons (one in 1999 and another in 2017). A few of his most memorable moments that he will take with him are winning on Thanksgiving Day 2007 after a thirteen-year drought that ended when his son kicked the winning field goal and the playoffs in 2014 and 2015, both of which resulted in trips to Gillette Stadium.

During his career, Coach Mo also coached middle school and high school wrestling and indoor track. He will be sorely missed as a pillar of Melrose High School. As his retirement quickly approaches, Coach Mo recalls his love for his students, who he will miss the most. He has trouble believing in a few short months he will not be in this school helping kids.

MHS wants to thank Coach Mo for his dedication to not only his students, but also to his players and colleagues. We appreciate your 36 years of which you taught and coached in Melrose. For all that you have accomplished, the Class of 2019 would like to dedicate this yearbook to you and wish you well. Melrose High School will miss seeing you in the halls, but we look forward to seeing you on the field.

# Thank You!

MHS is my first school in America. I will never forget my first day. I was nervous, shy & scared. I remember that day I couldn't speak English; I asked a student where my class was; she told me but I didn't understand. After 1 year, I can speak English & I can understand others. I'm so proud.
